GENEVE

GOTHIQUE

Franck Muller presents its new Gothique collection as part of the Cintrée Curvex™ range. Providing a new interpretation of its famous shaped case, Franck Muller displays yet another daring design.

The collection is available in 18k white gold, rose gold and stainless steel. For a truly gothique chic look, the skull will be set with black diamonds. The line is also available in full black with a black PVD treatment, black diamond case and full paved black diamonds dial.

This original and unique timepiece embodies the brand's values of independence, freedom of expression and creativity.

This highly inventive collection will captivate all generations of men and women who have a real penchant for distinctive creations.

GOTHIQUE

The Gothique model is both unusual and refined, featuring black and white contrasts, three oversized Roman numerals that take up the entire dial and a skull at 9 o'clock. Showcasing simplicity, it has three hands – hours, minutes and seconds – and a date display at 6 o'clock.
