

FRANCK MULLER

GENEVE

MASTER BANKER

Demonstrating a true combination of craftsmanship and expertise, the Vanguard Master Banker perfectly blends the technical character of the Master Banker and the modern aesthetic of the Vanguard.

The design of the Vanguard Master Banker remains true to its origine while featuring the technical attributes of the Master Banker. The dial offers 3 different time zones, all adjustable with the same crown. The home time is displayed in the center and two other world time zones are indicated by two hours and minutes counters, respectively at 6 o'clock and 12 o'clock.

This collection is powered by an automatic movement and offers a power reserve of 42 hours. Fitted on a black leather with rubber on the inside, this piece is available in 18 carat white and rose gold.

Fit for bankers, businessmen and watch enthusiasts, the new Vanguard Master Banker is the perfect watch for a gentleman travelling around different time zones.

FRANCK MULLER

GENEVE

MASTER BANKER

Master Banker concentrates on the essential and offers three different time zones adjustable with the same crown. Thus, its owner can instantaneously see the time at the stock exchange locations of his choice throughout the world.
