VANGUARD PXL™

The Vanguard PXL™ is an innovative timepiece extend from the Vanguard collection.

The Vanguard PXL conveys the sporty and modern values of the Vanguard collection while featuring unique details. The innovative and distinctive dial and case are the result of a long and meticulous manufacturing process which includes different stages of machining.

The dial displays the emblematic Vanguard numerals, the tone on tone numerals highlight the pixel pattern adorning the dial and emphasize the white details of the watch.

Available in stainless steel, black PVD and 18 k rose gold, the PXL watch is completed with a rubber and nylon strap. Powered by an automatic movement, the Vanguard PXL features a date counter at 6 o'clock.
